

Ebury What borders?

Ebury Instant

ebury.com | info@ebury.com

Pay and collect money instantly

With Ebury Instant, doing business globally has never been easier. Your cross border payments will reach your beneficiaries instantly if both of you are Ebury clients.

So, if your business is in the UK and your client pays you in EUR, you will receive the payment immediately if you have an Ebury Currency Account in EUR.

Available 24/5

No need to worry about cut-off time any more. You can make payments at any time of the day Monday to Friday, except bank holidays.

We help accelerate your business

Settle your payments instantly and execute your business transactions faster, or if you are receiving funds, unlock cash flows by receiving funds immediately from your clients, group companies and other business partners.

Do I need to request access for Ebury Instant?

As long as you and your suppliers or clients have an Ebury Currency Account, you don't need to do anything. You can start benefiting from your Ebury Instant payments right away!

How do I get an Ebury Currency Account?

Opening an Ebury Currency Account in your name is easy, just contact one of our experts.

We can help you collect in over 35 currencies.

You can find out more about Ebury Currency Accounts on [our website](#).
